# MICRO CHIPPING

## WHAT WOULD YOU DO IF YOUR DOG DISAPPEARED?

UNTHINKABLE? - NO ! Many pets disappear or are stolen every year. You can aid their safe return home by having them Micro Chipped at Wag Day. The unique identity given with a micro chip can be read and traced back to you the owner. Many rescue services, police & government officials now rely on reading micro chips to reunite dog and owner. Have your dog chipped today .

**Wag Day offer of £10  
per dog**
